RAVEN SEZ: **Blonde-haired cutie Raven takes a few minutes on set and tells us what it's like to be in her element.**

40+: Raven, thank you taking this time from your shoot.

Raven: Oh that's okay. It's nice to take a break from all the craziness and talk with someone sane.

40+: Would you please tell us how long you've been working, and how you got in the business... and how many movies have you made so far this year?

Raven: I had dabbled in nude modeling for a few years, and then moving to Los Angeles, I hooked up with more people and got into making movies. That was about six years ago. As far as movies this year, I do them as I feel like it. Sometimes it depends on who I'm paired with, but I'd say I've probably done a dozen or so, and they've all been a lot of fun. I have to say that I've even learned things.

40+: Really? Would you care to say?

Raven: Honestly, I had never done a three-way or group scene before. That was different. And silly are they are sometimes, I've learned to read scripts and I actually try to act. I think I've gotten better. But what I've learned the most is about myself and my sexuality. I like sex.

40+: Do you mean you didn't like sex before?

Raven: Well, it's not that I didn't like it, but it was predictable and had become a bit boring. But then most people in longer relationships tend to say that. What I mean is that having sex with different types of people in new situations, is quite exciting, and that makes sex fun.

40+: Now that we know that you like sex, what do you like most about it?

Raven: Like I said, some of it is the new people you can fuck. The new places you get to fuck in, and the different types of fucking that you do. I even don't mind when the director stops a scene and you have to stop and then turn it on again. That's okay by me.

40+: Do you have a favorite position or act to share.

Raven: I like it all. I like giving and getting head. I love to get my pussy fucked, and over the past couple years, I have done anal but it took about three times to feel comfortable with it. Now, I absolutely love it. The other thing I like is having to put my body into different positions for a fuck. In your regular sex life, you're probably not as adventurous, but when the director says stand on your head and blow him, that's exciting and different..

40+: May we ask what you're filming today?

Raven: Sure, it's a MILF video where I'm seducing my neighbor and he comes to the house where I cook him dinner. We end up fucking in the bedroom and doing a full blown anal scene. I thought that was pretty hot.

40+: What's next for you?

Raven: In this business, I have three more scenes to film and a couple industry events in LA and Vegas by the end of the year, then I'm headed back east to be with my family and friends. Can't wait to see them.

RAVEN & ANDREW

It's a lazy day and I'm waiting for my friend Andrew to come over. I promised him a home cooked meal if he would fuck me. And I promised I'd bake him chocolate cake if he would fuck my ass. Do you know anyone who could resist that? I don't think so.

To the Editor:

Gail and I were in a dressing room of Grant's, a great store in our town. We had just found a bunch of dresses to try on, because there was a senior dance at our high school next week, and we really wanted to look super hot. However, neither of us had found the right dress so far, and we were running out of time. We had been shopping—separately—and had decided that morning that we should try shopping together. We were about the same size and thought we might save time that way.

Gail is just an inch taller than me, and she has long brown hair, while mine is dark blonde. I keep my hair pulled back in a ponytail; she lets hers hang loose.

"Thanks, Gail." She smoothed her hands down over her breasts. They were about a 34B. She turned this way and that, admiring herself in the full-length mirror. Then she unfastened her bra. "How do you like them now?"

"Wow!" Her breasts were gorgeous—firm white mounds with bright pink cherries on them. I stared at them hungrily. I just wanted to suck those tiny buds so much! Her skin was so white and flawless.

"Go ahead, Tabby, and lick 'em." It was like Gail knew what I was thinking!

I shot her a look of astonishment. "Are you kidding?"

"Nope."

I leaned over and shyly flicked my tongue over Gail's nipple. It stiffened. "Cool." Boldly I licked the other one and watched it harden. I fastened my lips on her tit and began swirling my tongue around and around those hard

nubbins. I could see myself in the full-length mirror, my mouth on her tit, and that made me hotter.

"Let me see yours, okay?"

I nodded. I hadn't started changing yet, so I was still fully dressed. I pulled my T-shirt off. I was braless, and Gail looked at my tits. She fondled one nipple, and a hot tingle ripped through my body, ending up in my pussy.

"They're so cute." My tits are smaller than Gail's, and the nipples were a dark color, almost a rosy brown. She cupped one of them and purred, "It's so precious."

I giggled. "Maybe we ought to keep trying on clothes."

"Oh, yeah." Her tone was sarcastic. Gail eased out of her shorts, then pulled down her panties. Then my friend sat down and spread her legs. "Do you like what you see, Tabby?"

Wow! Not only was Gail's pussy shaved until not a single hair remained, but it was pierced. "Did your parents let you do that?" I was totally turned on by the sight of that smooth mound. Her hips were slim and her legs were long. I wondered what it would be like to have those legs locked around me, with my face buried in her soft smoothness.

Gail winked. "They don't know."

"That's so cool!"

"Let's see your pussy."

I blushed. "I'm not pierced or anything."

40+: *I'm sitting with fuck-buddy extraordinaire, Jasmine Jae.*

Jasmine: Nice to be here speaking with you today.

40+: *And with you. Let me start by saying you are quite the sexual dynamo.*

Jasmine: Thanks a lot. I always try to give it my all, no matter who with. I love sex and people can tell that of me.

I slipped my pants, then my panties off, and stood there. I had curly hair—quite a bit of it—between my thighs. My hips were slightly larger than Gail’s, too.

“Look at all those cute little curls.” Gail leaned forward and kissed my furry mound. “So sweet.”

The tingling in my pussy increased. “Is it getting hot in here?” I asked.

“Oh yeah, really hot.” Gail leaned forward and stroked my puffy pussy-lips with her fingers.

“Ohhhh.” It was getting hotter and hotter.

Gail slipped a finger inside me, then another, and slowly pumped her fingers in and out of my pussy. She touched my clit with her thumb, rubbing it around and around. I spread my legs a little more, moaning all the while.

“Hey, let’s do each other, Tabby.”

“Huh?” I said, coming out of a total haze.

“Sit down here.” Gail sat on the floor, spreading her legs. She motioned for me to do the same, but to rest my legs on hers. Our pussies were only inches away, and I could feel her heat. I could smell her honey, too. I licked her lips.

“Okay, let’s really fingerfuck each other, okay?”

I nodded. Sounded good, even if I’d never done it before.

Gail started sucking my nipples while she thrust three fingers inside my sopping pussy. She fucked me fast, her fingers sliding in and out until they were drenched with my sauces. I clamped down, and she grunted. Then I started playing with her clit; it was like a large, swollen pearl, and I rolled it back and forth, thumbing it good. Gail’s breath was coming in gasps now. My nipples were already totally hard from her sucking them.

Her fingers pistoned in and out of me, and I felt the heat building up inside. Meanwhile, I massaged her distended clit, then slipped my middle finger inside her hot pussy. Pretty soon, I stuck another finger in her, then another. Her pussy just swallowed up my fingers.

Gail bit down on my nipple, and I cried out just as my pussy spasmed and my juices flowed over her hand. I came, and then she fingerfucked me some more, and I came again. She humped my fingers, really thrashing against my hand, and a huge orgasm ripped through her. She cried out so loudly that the saleswoman rushed to the door of the dressing room.

“Are you girls all right?” the woman asked. “Are you finding what you want?”

Gail was still humping my hand, still shuddering from her climax. “Yeah, we’re fine. We couldn’t be better. In fact, you might say things are coming to a head.”

I giggled. We kissed, then decided that, before we played with each other any more, we’d better try on a few dresses. But that only lasted a few minutes before we were fingerfucking each other to climax again.

Tabitha in Oregon

Dear Editor:

Two years ago I decided to go back to summer school to further my education. It turned out to be a lot of fun. I didn’t learn much but I got to fuck a lot of girls that I met there. I thought it was such a cool thing that I decided to enroll in night school this September and see what that was all about.

I took an art class because I thought the

40+: *Oh, we’re sure they can. Especially in your bj and anal scenes.*

Jasmine: Thanks. I know this may sound weird, but I really do like the feel and taste of a cock in my mouth. There is so much more you can do with it there than in a pussy. The warmth of the mouth, the tongue, the lips, the fingers. All a part of the better bj.

40+: *You are right! But what do you have to say about your anal escapades?*

Jasmine: Well, where to begin? It all started after freshman year’s summer. There was this guy I was fucking and he kept pushing his finger

your cock makes my mouth water!

most liberal girls would be in it, and was I right. There were three of them and one was married and a couple had kids but no husbands. As far as I was concerned, they were all fair game. I was drifting off in class, trying to fall asleep when I hear, "Eric, quit staring at my butt?" That was Kylie, the blonde MILF that sits right in front of me. "I'm not, but you know your ass is so hot." She turns around and giggles at me. I pick up the sign this time and after class invite her for coffee.

We go to Coffee, Tea and Me and find a small sofa to sit at. I get the drinks and we get to talking about our sex lives. Mine isn't too interesting and, it turns out, neither is hers. She says her boyfriend is and has a small cock. She thought it was cool at the start because she could easily get it all in her mouth, but when it never got any bigger, it never satisfied her pussy. She asks me what my size is and I brag that it's eight inches. She leans over and looks at my crotch and says let me see it! She reaches down but I stop her. We're in a public place, I thought. But now the damage was done. My penis starts to grow in my pants. I wanted to take it out and show her but I didn't.

She suggested we go back to my place so she could see it. How could I refuse, horn dog that I was. We get to my place and park it on the couch. "I gotta get home soon, so let me see it," she says. Immediately she unbuttoned my pants and pulled them down. She grabbed it, and when she saw it perk up after fingering it for a second, she started asking me all sorts of questions because she said her man had lost interest in sex.

I told I hadn't, as she could see from my now seven-inch-on-the-way-to-eight-inches cock. She giggled some more when I asked to see her boobies. She unbuttoned the front of her shirt and there they were, full and round in her bra. I took off her shirt and went to take off her bra when she looked at me smiled and turned around. She told me how bad she had been and that I should take

it off for her.

After that I took off her panties and started to rub her clit. She told me to rub faster so I rubbed faster and with my tongue darting in and out of her pussy. She seemed to really enjoy it so I went faster until she said watch out but that turned me on more so I kept licking. When she came she screamed. I lapped up her pussy juice but left plenty for lubrication. She turned around and grabbed my cock and she was going to please me now.

She grabbed my penis and shoved it in her pussy only once to get the juices all over it, then she started to work her magic. Her hands were way better than mine, softer, more tender, more attentive. Then she started making rings around the head with her tongue. Within three minutes of this attention, I managed to get a "I'm cumming!" out of my mouth but she sucked on it until I was screaming in pain because of how tender it got after cumming.

But she couldn't stop. I could only watch as her tongue circled the head once more being sure to get under the rim, searching out every last drop. When she finally was satisfied, she hurriedly got dressed and headed for the door. "I gotta go right now," she said. "I'm gonna give my boyfriend the best blow job he's ever had." Damn, and there wasn't a damn thing that I could say to that?

— Jerry in Denver

in my ass. It first I pushed it away, then gave in a little, so by the end of summer he had pushed his cock in a few times. I got to liking it and have been doing it ever since.

40+: *And what about now?*

Jasmine: *Now? Cocks are much larger than my guy's in college. But I prepare better and practice more. Yeah, I love a good hard cock in my mouth and in my ass! Don't you?*

I grew up watching football on TV and even got to see a few games live. I dated several ball players and fucked every one of them. Now it's time I take my talents to pro ball. Dating a pro quarterback is fun, but I don't know how I feel about all the paparazzi always buzzing us.

winter flames

turn a cold New England
winter hot with their pussies

It was a typical New England winter. You couldn't see the ground for months, and the snow kept falling, melting, and then icing over the roads. The weather didn't affect my work as a freelance writer, but the grey air did affect my emotions. My introverted nature became even more so, and soon I rarely left the computer except to buy some groceries at a small convenience store near my home.

The only person I spoke with on a regular basis was the local convenience store manager. Felicia was an attractive woman in her late thirties, about 10 years older than I was. Though a native New Englander, she didn't fit the stereotyped mold of being reserved. Instead, her warm personality charmed every customer, including me.

I found myself drawn to her bright smile and clear blue eyes, her medium-length blonde hair, and especially her well-muscled but curvaceous body. As my interest in her grew, I started going to the store every day to pick up an item or two, just so I could see her again and breathe in the vanilla musk she perfumed herself with. Whenever I could, I'd ask for help finding things in order to brush up against her body.

I had no way of knowing if she shared my interest in women, so I was careful to keep my attentions from becoming too blatant. Then, one day, while I was standing at the magazine rack, surreptitiously watching and fantasizing about her, she caught my eye and headed over to me with a determined look on her face. Had she finally figured out why I was always in her store? Was she offended? Would she demand that I never come back? Droplets of sweat that felt

as cold as the ground outside sprang up on the back of my neck.

Instead, she placed her hands on her succulently curved hips and broke into a wide, knowing smile. "You know, Ivy, you can't go on living on this convenience-store junk food all winter. You need a good, home-cooked meal for a change. Why don't you let me fix supper for you tonight?"

That tongue of hers twisted inside me in the shape of a whirlpool...

I was so astonished that I could hardly form the words to answer. "Um... sure," I stammered, while she grinned and wrote out the directions to her place.

The meal she prepared for me that evening was nothing less than a gourmet feast, though I was almost too tongue-tied to enjoy most of it. But I did feel encouraged when, after we'd cleared away the plates, she invited me onto the sofa for coffee and flipped on her CD player. The mellow voice of k.d. lang filled the room. When I looked up at Felicia, her face was aglow with desire.

"Just thought I'd set the proper mood," she whispered, then settled down on the sofa and leaned forward to embrace me. I buried my face in her ample breasts as she kissed my brown curls and stroked my back. "You don't know how much I've wanted you all these months. Why do you make it so hard to get near you?"

My lips ravished her stiff nipples...

I had no way of knowing if she shared my interest in women, so I was careful to keep my attentions from becoming too blatant. Then, one day, while I was standing at the magazine rack, surreptitiously watching and fantasizing about her, she caught my eye...

I was still trying to come up with a sensible answer when Felicia's sensual mouth came down hard on my own. I felt my whole body dissolve into her tight grasp, my mouth melting around her probing tongue. When I finally came up for breath, Felicia's mouth looked swollen and red, reminding me of my aching pussy-lips.

Intense lust enveloped me, and I kissed her again. This time, though, my hand went under her fuzzy sweater to her slim waist. With a slow-moving caress, I stroked my way up to the breasts I'd been salivating over for so long, undoing her bra. Her heavy globes fell into my grasp, and her lips went to the nape of my neck. She flicked her tongue over the tiny hairs, sending quivers through my sweating limbs. My pussy raced with excitement.

From the rapid pace of Felicia's breathing, I knew she was having the same lusty reaction. She nibbled my earlobe as she reached both her sweaty hands under my sweater, groping my tits through my bra. She seemed so excited, in fact, that she had trouble unhooking it, and her nervousness turned into frustration.

With her tense fingers pressed against my back, she whispered, "Come with me. I need you so much."

Felicia then took me to her beautifully decorated bedroom and again covered my mouth with hers. Instantly, we were on her feather bed practically ripping each other's clothes off, releasing all the repressed lust that we'd each bottled up these past few months. For the first time, my eyes took in every inch of her luscious, creamy body. Felicia's long legs seemed to go on forever, and the generous mountains on her chest were topped with delicious, erect peaks that invited me to climb their pink perfection. Her sculpted waist led to a semi-shaved blonde valley that was already damp with desire. My mouth salivated in anticipation from just looking at her.

We rubbed our naked bodies together like two sticks ready to spark into one blaze. Without hesitation, I latched my lusty mouth onto her lovely areola and sucked and licked her ardently. Then my lips ravished her stiff nipples. She tasted like vanilla and woman, all warmed together in my mouth. Felicia groaned and pushed her chest harder into my face.

I drew a figure eight with my tongue from breast to breast, then down her belly. Her hands gripped my tits and her thumbs thwacked my erect nipples as her tongue flicked them, thrilling me with pleasure. We both instinctively knew what pleased and delighted each other. With even more passion, she started to suck on them.

As my pussy swelled with lust, I looked back to get a glimpse of her face. She looked incredibly lovely at that moment, with her long hair draped over my sprawling limbs, her red mouth sucking my nipples harder. I stroked the silky strands on her head with one hand and fondled the hot coils of her bush with my other hand. Her tits were bobbing from side to side in rhythm with her orgasmic rocking as my fingers sa-shayed over her clit. Her pussy-lips were as silky as her hairs, and my fingers tingled with new sensations.

The passionate woman in my arms seethed with tangible excitement. With only one purpose in mind, I kept licking my way across her torso and across her abs, never letting go of her wonderful tits. After that, she lost control, making tantalizing bites along my taut belly. Felicia inched in the direction of my moist pussy hair, nuzzling the hairs with her tongue, stoking the fires of my burning lust. She pulled on them gently with her white teeth, teasing me endlessly.

At this point we were in a 69 position but with a twist: I lifted my body and strategically placed myself so that my clit was on top of her hard right nipple. My pelvis rotated atop her sensitive nub. I stroked it gently at first and then more roughly. I put my hands on her inner thighs while I continued teasing her nipple with my clit.

My clit was on top of her hard right nipple...

Intensifying the nipple massage, I fondled her leg all the way to her drooling pussy and started to play with her outer lips. Her moist pussy-hairs stuck to my sweaty fingers as I petted her. With concentrated and continual strokes, my hand put more and more pressure on her clit. Before long, my match-like fingers kindled her palpitating wick.

We rubbed our naked bodies together like two sticks ready to spark into one blaze. Without hesitation, I latched my lusty mouth onto her lovely areola and sucked and licked her ardently.

Suddenly, she ignited, squirming and rolling like she was possessed, and I can promise you at that moment she was possessed. . . by me and only me! I felt so powerful making this woman, who had been a distant fantasy only hours before, more turned on than I had even imagined. Felicia smoldered like a bonfire from the simultaneous nipple-pussy attention, lifting her tit to my groin with higher and hotter bursts of passion.

Soon after that, she propped her head up with a few fluffy pillows, which made her appear as if she were resting on the piles of snow just outside her window. Felicia melted into position to guzzle the juices that began to boil from my lust. Once she had hoisted her head, her mouth touched me and nuzzled my aching pussy. With the feel of her soft, full lips whisking over my slit, I felt my own emotions go over the edge, and my clit rubbed her nipple much harder. My short fuse sizzled with an impending detonation. It circled and pressed, chafing against Felicia's nipple with more zeal.

Finally, I put my tongue to work on her clit and entered her with two fingers thrusting inside her as far as I could reach. She thrust her hips up to meet my fingers like they were a thick dildo. As she began to get closer, her licking became more intense, and she entered me with her tongue. I swerved back and forth in quick, sharp motions to the rhythm of Felicia's tongue-fucks. I thought I would explode as I smashed my clit onto her even harder.

With every thrust of her long tongue, I hammered back with my slim but energetic hips, forcing her so much deeper inside me. As I pushed, I made quick circular motions. Felicia's nose rubbed against my clit; her tongue explored my every sensitive fold, all the while drinking in my constantly flowing extracts. That tongue of hers twisted inside me in the shape of a whirlpool.

She sapped all of me with her insatiable mouth. Then Felicia grabbed my ass hard and dived in even farther, with quicker, much stronger plunges. Her whole face dripped with my desire. By then, we were both there. Blazes shot through my pussy and through my whole body. I writhed and moaned, twisting my head back and forth across her legs. Fire erupted in my entire system, and I became engulfed in the flames, calling out Felicia's name over and over again as my clit scraped against her nipple.

Felicia blew her fuse too. Her hips smashed into my face, and her stony clit wrestled with

my tongue. She clasped my head and hair, moaning, "Harder, Ivy. Do me harder, baby. Yes, I'm there. Ohhhhh, yes!"

Together we both blasted off, bucking and almost flying off the bed as our legs spasmed and our feet tingled. Felicia was never more beautiful to me than at that moment. My face and hers embedded in pussy, unabashedly lap-

ping, juicing, guzzling. Every drop of moisture evaporated from our feverish tongue-fucks.

In a frenzy, she left a trail of hickeys along my inner thigh, sending me through another whirlwind of orgasms. The more I wrenched my body, the harder she fucked me with those incessant fingers of hers, hitting my G-spot so many times that I thought my own climaxes would never stop. My clit flared from the friction as I moved over her with rapid fire. Felicia went at me with even more strength until we both had exhausted every last spark.

Her soft, full lips whisked over my slit...

For a second neither of us could move. As I caught my breath, I gently moved off her and turned around so I shared the pillows with her. At last, we lay back out of breath but still wanting more, if that were physically possible. Felicia looked at me adoringly, making subtle scratches along my ribs.

I supposed her admiration stemmed from my stamina for sex as well as my deep feelings for her. At that point, I wasn't sure which made more of an impression on her, and I supposed the two motivations were interwoven together inextricably. For Felicia and me it would be a hot winter in cold New England.

Fire erupted in my entire system, and I became engulfed in the flames, calling out Felicia's name over and over again as my clit scraped against her nipple.

RAY VENESS & KACY

If I remember correctly, I think I fucked with Kacy a year or so ago in a multi-girl orgy, but my memory is a bit fuzzy. But today, it doesn't matter. We're here and we only have each other, so we're really looking forward to some time together. Kacy looks really cute with those perky little boobies and hard nips. I can't wait to get my fingers and tongue into her.
